## DREADFUL WEAKNESS

Could Not Raise Head From Pillow,

Says Jennie B. Kirby, of Valley

Heights, Va., Till I Took

Cardui.

Valley Heights, Va.—"My family doctor," writes Jennie B. Kirby, "said I had change of life and I was sick in bed for about 9 months.

"I had a bad spell this spring and was so weak I couldn't raise my head off the pillow.

"I commenced to take Cardui in April and have now used three bottles. It does me so much good. I saw it was helping me before I had taken half the first bottle. Now I can work all day.

"I think Cardui is the best medicine in the world, for women who suffer from female troubles. I have not taken a dose of any medicine but Cardui for 9 months and am feeling very well."

No other medicine is needed, but Cardui, for weakness, loss of appetite, tired feeling, female pains and distress, etc.

However, if you are taking any other medicine, Cardui will not interfere with it, but rather help it.

As a general tonic, for weak women, you can get no medicine so good as Cardui, the woman's tonic.

To prevent unnecessary pains and misery, nothing, for 50 years, has been found to take its place.

No druggist keeps Cardui in bulk, for prescription purposes, but every druggist sells Cardui, in original bottles. Try a bottle today.

## VERY HAPPY.

Jack Allison who returned a day or so ago from a delightful honeymoon trip made his appearance on the streets Wednesday evening, and immediately invited his employer, Fred Brackett to take a ride. Of course, Fred accepted, but while he was attending to some small business matters before going for the ride some one got busy and prepared a placard, which was tacked to the rear of Allison's buggy, when Jack wasn't looking. Brackett, who seemed to know all about the card, kept Jack busy driving up and down the most prominent streets. On the card were these words: "Just married. Gee, but I'm Happy—Jack." It is needless to say that no little amusement resulted.

## LEFT FOR UTAH.

W. T. Hilemon, who has been in Mesa for sometime past, left yesterday morning for Utah where he intends to make his future home.

## RETURNED FROM TRIP.

A jolly party of Mesa young folks have returned from a delightful trip to Roosevelt. The party had a regular outing, camping out while away, and especially enjoyed a moonlight ride on the big lake behind the Roosevelt dam. Last Sunday they spent the day at Fish Creek. In the party were Misses Olive Otterson and Ella Bloomer, Messrs. Murray, Frank Chapple and Will Otterson.

## Catarrh Doctor

Cures Catarrh, Acute or Chronic, or Money Back.

Would you pay one dollar to rid yourself of disgusting catarrh?

Then go to the Lovett Drug Co. today and ask them for a Hyomel outfit and you will not only engage, but you will own outright a little catarrh doctor that has cured more cases of catarrh than all the catarrh specialists on earth.

In the \$1.00 box which contains the Hyomel outfit, you will find a little hard rubber vest pocket inhaler.

Into this inhaler you pour a few drops of Hyomel. Then all you have to do is breathe through the little inhaler, either through the nose or mouth, according to where the catarrh is located.

When you breathe HYOMEL you breathe a powerful yet soothing, anti-septic air, which as it passes over the inflamed and germ ridden membrane penetrates every fold and crevice, and destroys germs completely.

Stomach dosing never cured catarrh. Sprays and douches always fail; and why? Because they don't get where the germs are, and as catarrh is a germ disease you must kill the germs, before you can cure catarrh. HYOMEL is guaranteed by the Lovett Drug Co. and by druggists everywhere to cure catarrh, coughs, colds, croup and sore throat.

Stop in at Elvey & Hulett, quality druggists, and get a free sample of ZEMO and ZEMO SOAP.

The surest and most economical treatment for eczema, pimples, dandruff and all diseases of the skin and scalp. Do not neglect this. They will give you prompt relief and put you on the road to a cure. Good for infants as well as grown persons.

spend the next few months. Since their last visit here a couple of years ago, they spent one winter in Europe, visiting many of the more important points there. Mr. Coolidge has been having success with his literary work the past few years, having written several successful novels. His trip to New Mexico is for the purpose of hunting up more "story" material. They will probably return to Arizona during the summer and spend most of their time in Prescott.

## A NORMAL TEACHER TO ATTEND SCHOOL

Will Take a Course in the University of Chicago.

The people of Tempe in general will regret to learn that Prof. F. C. Ayer of the Normal will not be here next year. Through a stroke of good fortune, which stroke by the way, is the direct result of hard work and diligent effort, Professor Ayer has been appointed a fellow in the graduate department of Education of the University of Chicago for the school year 1911-12. The fellowship carries with it a stipend of \$520 and was granted on the basis of proficiency in educational work. Mr. Ayer plans to attend the coming summer quarter, the three regular quarters and the summer quarter of 1912, specializing in biology and education, the courses leading to the degree of Doctor of Philosophy.

He is fortunately not planning to leave Tempe permanently but will do the work under a leave of absence from the Normal school faculty, probably returning to Tempe in the fall of 1912. Mrs. Ayer will at the same time take courses in vocal and instrumental music at the Chicago Conservatory.

Professor Ayer has for the past six years, been head of the department of biology in the Normal school.

Midnight in the Ozarks and yet sleepless Hiram Scranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors, who said he had consumption, but found no help in the climate, and started home. Hearing of Dr. King's New Discovery, he began to use it. "I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, la grippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quinsy, it's the best known remedy. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

## EQUIPMENT OVERHAULED.

Fire Chief Browning reports that the two hose carts of the fire department have just been thoroughly overhauled and put in good shape. New hooks, lanterns and axes have been ordered and with the arrival of the new chemical engine, some time within the next thirty days, Tempe's fire department will be in better shape than it has ever been before.

## HAVING GOOD SUCCESS.

The committee recently appointed for the purpose of soliciting funds to advertise to the homeseekers of the country, the resources of Tempe, reports most gratifying success. Only a small amount is being asked from each firm and individuals and it is thought that a sufficient amount will be realized to run a half page and in most of the papers of the territory. A mass meeting for the further consideration of the matter will be held soon.

## ROAD TO LAUGHTERTOWN.

Would ye learn the road to Laughtertown

O ye who have lost the way?

Would ye have young heart though

Go learn from a little child each day

Go serve his wants and play his play,

And catch the lift of his laughter gay,

And follow his dancing feet as they stray;

For he knows the road to Laughtertown,

O ye who have lost the way!
